

NEST series

NEST

The Nest series stands out for its exquisite slightly rounded design, inspired by asymmetrical shapes, with a gentle natural flow like water.

Thanks to its carefully-conceived design with no corners, it is swift and easy to clean and care for and more long-lasting. It features a subtle lip around the perimeter for hygiene purposes and also to avoid splashes.

The series includes various different components and materials that can be mixed and matched in a wide variety of ways, such as countertops, units, metal frameworks and accessories. The countertops come in a KRION® SOLID finish and all the other components in a black or white lacquer finish. Nest comes in a choice of a 61x50, 80x50, 120x50 or 152x50cm format.

The KRION® SOLID countertop does not need a framework to mount it and so it is very easy to fit. The basin has a big integrated overflow for water to drain away quickly.
