SMART

The SMART series is made up of a KRION® SOLID countertop and wallhung wood unit.

The oval undermount washbasin with an integrated overflow can feature one or two bowls. It can be fitted separately or accompanied by a wall-hung unit with big single or double removable drawers in a taupe, ashcoloured oak finish, deep blue, white or beige. The SMART series also includes the option of a metal framework and a wood or metal shelf.

This is swift to fit and easy to care for, combining functionality with visual appeal.

Available in an 61, 80, 110 or 150cm format.
