S+LINE

BLACK EDITION

S+Line is a perfect blend of technology and visual appeal. Thanks to the functionality and safety of its different features, this is one of the best integrated and most technically advanced shower enclosures. Its discretely concealed mechanism also serves to enhance its refined design.

Thanks to its matt black finish, S+Line meets the latest trends in bathrooms and design, offering new shower solutions that can be combined with decorative features to create harmonious one-of-a-kind settings in keeping with current tastes.
